# CREATE A LEGACY

SECURE COOKE MUNICIPAL GOLF COURSE  
BOTH NOW AND IN THE FUTURE

The aim of the Legacy Fund is to accumulate cash and assets for strategic purposes, to ensure future Golf Course improvements and sustainability. The intended funds will not be used as operating capital.

## HISTORY

Cooke Municipal Golf Course has been an integral part of the fabric and history of Prince Albert for well over 100 years. The Golf Course has been a source of great fun, memories, pride and enjoyment. The Legacy Fund will provide passionate golfers with a mechanism to create a legacy that will forever embed them into the Course's history and future.

## CREATE A LEGACY

Create a Legacy funds will go into capital projects at Cooke Municipal Golf Course. At over 110 years-of-age, the course has many prospects for improvements. Planned projects through the Create a Legacy fund include: bunker modification and improvements, cart paths, tee box improvements and more.

## RECOGNITION

To recognize contributors for their generous support, we aim to embed them forever in the Golf Course's history as one of the key contributors to the long term security and growth of the Course. The Golf Course will either recognize the generosity of the donor or keep their identity anonymous based on personal preference. A new Legacy Wall has been installed on the Pro Shop and will include recognition for contributors as prescribed.

## HOW CAN I MAKE A DIFFERENCE?

### DONATING TO THE LEGACY FUND

Your contribution to the Legacy Fund will aid us in our quest to secure the future of the Course now and for subsequent generations. You can make your contribution in the following ways:

- Simply make a direct financial contribution to the Legacy Fund,
- Bequeath your contribution to the Legacy Fund in your will or estate planning practices.

Donations can be received in any form through your estate planning whether it be a donation of an asset or monetary value.
